

DeepSeek: annual availability by application

One metric for every series: F + P + D | Application colors | Truncated vertical axis: 90-100%

* 2024 starts Feb 1; 2026 ends at the frozen cutoff. Hollow dots = partial year. No extrapolation.

File upload and Search start Jul 22, 2026 (10:19:38 UTC); earlier years are missing, not 100%.
